

AUGUST

Sunday

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday

On the calendar you will see which Group is to come to school and below that the person that is to bring the morning snack. If your day is inconvenient please let me know and I will make other arrangements.

We do ask that you send healthy snacks and we do have children with peanut allergies so please do not send anything with peanuts or peanut products. Please have the snack prepared and sent in individual servings ready to be passed out so our snack time will go efficiently and smoothly. Milk will be provided for the children in the morning, you do not need to send a drink.

If you choose to send birthday treats you are welcome to send cake, cupcakes, ice cream, cookies, bars, candy, popsicles, etc. for that treat, but please remember the peanut allergies.

Thank you!

Mrs. Doschadis
