SWAY (concussion) testing for all students planning on playing sports next school year (this year's 5th-11th graders). Athletes will need to download the SWAY Medical App from the App Store onto their cell phones. For students without a smartphone, we will have a few extra available. Students will meet in the main gym. Testing takes approximately 30 minutes from start to finish. We do the test as a baseline test for students who would happen to suffer a concussion next year.
