

IPSWICH COLONY LAPTOP COMPUTER PROTECTION

The District recognizes that with the implementation of the laptop initiative there is a need to protect the investment by the District and the student, parent or guardian. The following outlines the various areas of protection: warranty, accidental damage protection and insurance.

ADDITIONAL INFORMATION: In cases of theft, vandalism and other criminal acts, a police report, or in the case of fire, a fire report **MUST be filed by the student or parent/guardian** for the protection coverage to take place. A copy of the police/fire report must be provided to the principal's office.

The \$200.00 additional charge is the responsibility of the student/parent and must be paid before the laptop can be repaired or replaced.

INTENTIONAL DAMAGE: Students, Parents or Guardian are responsible for full payment of intentional damages to laptops.

****Please Note-Laptop Protection DOES NOT cover intentional damage of the laptops. This contract is also elastic and may be subject to change.**

****Also located in the handbook under technology**

7. Disciplinary Action

7.1-Violations may result in a loss of access to technology resources. Additional disciplinary action may be determined at the building level in line with existing practice regarding inappropriate language or behavior. When applicable, law enforcement agencies may be involved. The first two weeks of the school year will be a trial period in which students may or may not lose their privileges depending on the severity of the action.

1st Offense – Students will lose their technology resources (including ipad) for 10 school days not counting the day they abused their computer privilege.

2nd Offense - Students will lose their technology resources for 20 school days (4 weeks) not counting the day they abused their privilege.

3rd Offense - Students will lose their technology resources for 20 school days or the remainder of the semester whichever is greater.

4th Offense - Students who abuse their technology resources for a fourth time will suffer the consequences at the discretion of the administration.

The consequences listed are to be used as a reference for the Ipswich School Administration. This policy cannot list every eventuality that might occur in or outside of the school building in regards to use of school technology. The administration has the right to review each case depending upon severity to determine a student's disciplinary actions. The administration has the right to skip any of the steps depending upon the severity of the actions.

7.2 Users shall be responsible for any costs, fees, charges, or expenses incurred under the person's account in connection with the use of the network or Internet except such costs, fees, charges, and expenses as the school district explicitly agrees to pay.

7.3 Any security or equipment problems arising from the use of technology resources must be reported to the Network Administrator or Principal's Office.
